**WARNING:** All packing materials, such as tape, plastic sheets, wire ties and tags are not part of this toy, and should be discarded for your child's safety.

**NOTE:** Please keep this instruction manual as it contains important information.

## GETTING STARTED

### BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the electronic box inside the unit. Use a screwdriver to loosen the screw.
3. Install 2 new AA (AM-3/LR6) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure.

## BATTERY NOTICE

- Use new alkaline batteries for maximum performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable (Ni-Cd, Ni-MH), or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.
- If the batteries are removed from Cora for more than 30 seconds, you will have to reset Cora's internal clock by connecting it to the Learning Lodge™.

### Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

## PERSONALISING CORA THE SMART CUB®

- **About Me:** Follow the instructions to personalise Cora with your child's name, birthday and favourite things.

Important: Please enter the time and date where you live to set Cora's internal clock.

- **Special Days:** Choose days that are special to your child and save them to Cora. **Cora The Smart Cub®** will reference these days as they approach when your child presses Cora's hand.
- **Personal Messages:** Choose up to 11 special messages for Cora to say to your child, such as morning, afternoon and bedtime greetings, as well as loving messages for any time of day. Hear time-related messages by pressing Cora's tummy, and hear loving messages by pressing the heart button.
- **Stories:** Cora can be personalised with stories starring your child! Personal content chosen in the About Me section will be added to the short stories that you choose here. Hear the stories by pressing Cora's right hand.
- **Music:** Choose music to add to Cora. Select up to 8 playful sing-along songs, 15 playtime melodies and 15 bedtime melodies. Be sure to save the sing-along songs and playtime melodies first, then choose bedtime melodies and save again. Enjoy the downloaded music by pressing Cora's right foot and left foot.

- You can return to any screen at any time to make changes.
- To begin playing, disconnect **Cora The Smart Cub**® from your computer and remove the USB cable from Cora.

If Cora has been connected to the **Learning Lodge**™ for more than 15 minutes without input, Cora will play a reminder, then go into sleep mode. Disconnect Cora from your computer, then turn it off and back on again to resume play.
