VTech understands that a child's needs and abilities change as they grow and with that in mind we develop our toys to teach and entertain at just the right level...

vtech Baby

Toys that will stimulate their interest in different textures, sounds and colours

I am...

...responding to colours, sounds and textures

...understanding cause and effect

...learning to touch, reach, grasp, sit-up, crawl and toddle

Birth-36 months

Pre-School

Interactive toys to develop their imagination and encourage language development

I want...

...to get ready for school by starting to learn the alphabet and counting

...my learning to be as fun, easy and exciting as can be

...to show my creativity with drawing and music so my whole brain develops

3-6 years

Electronic Learning Computers

Cool, aspirational and inspiring computers for curriculum related learning

I need...

...challenging activities that can keep pace with my growing mind

...intelligent technology that adapts to my level of learning

...National Curriculum based content to support what I'm learning at school

4-10 years

INTRODUCTION

Thank you for purchasing the **VTech® Moon and Me Call & Learn Phone**. Enjoy interactive role-play with Lambkin, Little Nana, Pepi Nana, Moon Baby, Mr. Onion and Sleepy Dibillo. Six activities and learning games feature numbers, counting, opposites, music, instruments and more! Pretend to call Pepi Nana and her friends with voice-activated play!

INCLUDED IN THIS PACKAGE

- One **VTech®** Moon and Me **Call & Learn Phone**
- One Parent's Guide

WARNING:

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties and packaging screws are not part of this toy and should be discarded for your child's safety.

NOTE: Please keep this parent's guide as it contains important information.

Unlock the packaging locks:

- ① Rotate the packaging locks 90 degrees anticlockwise.
- ② Pull out the packaging locks.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is OFF.
2. Locate the battery cover on the bottom of the unit. Use a screwdriver to loosen the screw.
3. Install 2 new AAA (LRO3/AM-4) batteries into the compartment as illustrated. (The use of new, alkaline batteries is recommended for maximum performance).
4. Replace the battery cover and tighten the screw to secure.

BATTERY NOTICE

- Use new alkaline batteries or fully charged NI-MH (Nickel Metal-hydride) rechargeable batteries for best performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable, or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

Disposal of batteries and product

The crossed-out wheeled bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

PRODUCT FEATURES

1. ON/OFF BUTTON

To turn the unit on, press the **On/Off Button**. Press the **On/Off Button** again to turn the unit off.

2. 6 CHARACTER BUTTONS

Press one of the **6 Character Buttons** (Lambkin, Little Nana, Pepi Nana, Moon Baby, Mr. Onion and Sleepy Dibillo) to hear about the characters.

3. 5 ACTIVITY BUTTONS

Press the **5 Activity Buttons** to play one of the 3 learning games, listen to some music or adjust the settings.

4. 10 NUMBER BUTTONS

Press the **Number Buttons** to learn numbers or to answer number-related questions.

5. LET'S CHAT BUTTON

Press the **Let's Chat Button** to enter the Let's Chat activity. This activity uses the voice activation feature. Speak into the microphone when the light is on to activate a reply.

6. ENTER BUTTON

Press the **Enter Button** to confirm your choice.

7. ARROW BUTTONS

Press the **Arrow Buttons** to make a selection in activities or menus.

8. PHONE CALL BUTTON

Press the **Phone Call Button** to make a virtual phone call. You will hear the phone ringing and will be prompted to leave a message. You can change the ringtone in the settings.

9. CANCEL CALL BUTTON

Press the **Cancel Call Button** at any time to exit the current activity.

10. MICROPHONE

The Microphone is located towards the top of the phone to the left of the LCD screen and is used in the Rub-A-Dub-Dub learning game, the Let's Chat activity and to leave a message after pressing the **Phone Call Button**. The suggested distance to keep between the microphone and your mouth is about 10-12 centimetres.

11. AUTOMATIC SHUT-OFF

To preserve battery life, the **VTech® Moon and Me Call & Learn Phone** will automatically turn off after several minutes of inactivity. The unit can be turned on again by pressing the **On/Off Button**. The unit will also automatically turn off when the batteries are very low. A warning will be displayed on the screen as a reminder to change the batteries.

Note: If the unit powers down while playing, we suggest changing the batteries.

ACTIVITIES

The **VTech® Moon and Me Call & Learn Phone** includes the following activities and features:

1. Moon and Me Friends

Press any of the **6 Character Buttons** (Lambkin, Little Nana, Pepi Nana, Moon Baby, Mr. Onion and Sleepy Dibillo) to hear the character identified, their voice or sound and fun facts with related animations.

2. Rub-A-Dub-Dub

A bathtub is shown on the screen. Blow into the microphone to roll the bathtub. Then, a character sound is played. Guess who is hiding in the bathtub. Press the **Arrow Buttons** to select and press **Enter** to confirm.

3. Who's Crossing The Bridge?

Little Nana and Lambkin are hopping across the bridge. Count the number of times they hop. Press a **Number Button** to answer or press the **Arrow Buttons** to select and press **Enter** to confirm.

4. The Surprising Carrot

A carrot is shown on the screen, press **Enter** 3 times to pull it out of the ground. Next you will see 2 differing carrots. Select the correct one using the **Arrow Buttons** and press **Enter** to confirm.

5. Music Box

Use the **Arrow Buttons** to select an instrument then press **Enter** to hear it played followed by a melody. The characters will dance along with the music.

6. Settings

Press this button to adjust the screen contrast, turn the background music on or off or to select one of the 3 ringtones.

7. Let's Chat

Call Pepi Nana and her friends! A character will be shown followed by a number. Speak into the microphone when the light is on to answer the questions and activate a reply. Press the **Cancel Call Button** at any time to hang up.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on a hard surface and do not expose the unit to excess moisture or water.
5. Do not insert sharp objects into the microphone hole.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Turn the unit OFF.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit back ON. The unit will now be ready to play with again.
5. If the unit still does not work, install a brand new set of batteries.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you.

CONSUMER SERVICES

Creating and developing **VTech®** products is accompanied by a responsibility that we at **VTech®** take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department with any problems and/or suggestions that you might have. A service representative will be happy to help you.
