INCLUDED IN THIS PACKAGE

- One **VTech® Stay In Bed Sleepy Cat**
- One AC adaptor
- One user's manual

WARNING:
All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

NOTE:
Please keep user's manual as it contains important information.
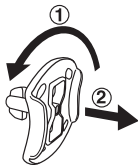

DEMO STRIP REMOVAL:
When the product is taken out of the packaging, please remove the demo strip from the unit to activate normal play mode.
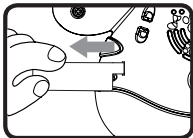

WARNING:
The tape and demo tag are packaging materials, and should be discarded for your child's safety.

Unlock the packaging locks:

① Rotate the packaging lock 90 degrees anti-clockwise.

② Pull out the packaging locks.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is **OFF**.
2. Locate the battery cover on the bottom of the unit.
3. Install 3 new AA size (LR6/AM-3) batteries following the diagram inside the battery box. (The use of new alkaline batteries is recommended for maximum performance.)
4. Replace the battery cover and tighten the screws to secure.
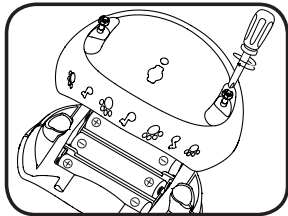

BATTERY NOTICE

Requires 3 AA/LR6 batteries. Or use the adaptor (AC/DC 5V 500mA) included in the package that complies with EN61558 is recommended.

- The use of new alkaline batteries is recommended for maximum performance.
- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the toy before being charged (if removable).
- Rechargeable batteries are only to be charged under adult supervision (if removable).
- Different types of batteries or new and used batteries are not to be mixed.
- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the toy.
- The supply terminals are not to be short-circuited.
- The toy is not to be connected to more than recommended number of power supplies.
- Do not dispose of battery in fire.

Disposal of batteries and product

The crossed-out wheelie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

CONNECTING THE ADAPTOR

- Connect the adaptor to the adaptor jack ⌷ on **Stay In Bed Sleepy Cat**.
- Plug the adaptor into a mains power socket.
- If the screen shows this image 🔅 ▣ 🔕 press the **Left/Right Arrow Buttons** ◁ ▷ to select if you would like the **Daytime/Night-time Light ON** or **OFF**.

Note: The use of an adaptor will override the batteries.

ADAPTOR SAFETY NOTICE

- The toy is not intended for children under 3 years old.
- Please use the adaptor (AC/DC 5V 500mA) included in the package that complies with EN61558.
- Only use the recommended adaptor with this toy.
- The adaptor is not a toy.
- The external flexible cord of this adaptor cannot be replaced; if the cord is damaged, the adaptor should be scrapped.
- Never clean a plugged-in toy with liquid.
- Please examine the adaptor regularly for damage to the cord, plug, enclosure and other parts. In the event of such damage, please stop using the damaged adaptor until the damage has been repaired.

Instructions to parents:

Adaptor and power supplies for toys are not intended to be used as toys, and the use of these products by children shall be under the full supervision of parents.

Note: If the unit stops working or the sound becomes weak, it may be a result of the adaptor connection. Unplug the adaptor for 15 seconds then plug the adaptor back in again. If the problem persists, the adaptor you are using may be faulty.

Rock Sleepy Cat to play games or give funny responses in game mode.

Daytime/Night-time Light

During Daytime the yellow light tells your child that it's OK to wake and play. At Bedtime and Nap time, the light changes to blue to soothe your child to sleep and help them understand that they should stay in bed.

Note: Use the adaptor to unlock all light options.

ACTIVITIES

Playing Button

Press the **Playing Button** to play games.

- Mini game 1: Cleaning Time
- Mini game 2: Silly Eyes
- Mini game 3: What's That?
- Big game 1: Follow my eyes
- Big game 2: Remember my Face

If it's not yet Playtime only mini games can be played.

Cleaning time
Rock the cat to clean the screen.

Silly eyes
Rock the cat to find the cat's eyes!

What's that?
Pay attention to the object passing by. Press the arrow buttons to tell Sleepy Cat which way the object went.

Follow my eyes
Press the arrow buttons according to the sequence of the winking eyes.

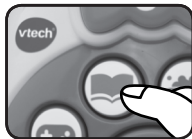

Remember my face
Pay attention to the cat's accessory. Press the Arrow buttons to find the lost accessory. Let your choice stay on the screen for 3 seconds to confirm.

Story Button 📖

Press the **Story Button** to listen to short stories. Press the Arrow buttons to listen to next story.

Cleaning Button 🧼

If it's Teeth brushing time or Bathtime when the **Cleaning Button** is pressed, Sleepy Cat will invite your child to rock her to hear the cleaning song.

If it's not Teeth brushing time or Bathtime when the **Cleaning Button** is pressed, a Bathtime or Teeth brushing game will activate. Rock Sleepy Cat to help her clean.
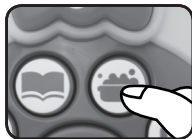

Eating Button

If it's Breakfast time, Lunch time or Dinner time when the **Eating Button** is pressed Sleepy Cat will encourage your child to eat healthy food.

If it's not Breakfast time, Lunch time or Dinner time when the **Eating Button** is pressed, feeding games will be activated. Rock Sleepy Cat or press the arrow buttons to feed her.

Music Button

Press the **Music Button** to listen to lullabies and funny melodies. Rock Sleepy Cat to increase the tempo. Press the Arrow buttons to listen to the next melody.

Time Button

Press the **Time Button** to hear the current time and go in to Clock mode.

Arrow Button

Press the **Arrow Buttons** in Clock mode to listen to the daily schedule.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Interrupt the power supply by removing the batteries or unplugging the adaptor.
2. Let the unit stand for a few minutes, then replace the batteries or plug in the adaptor. The unit should now be ready to play again.
3. If the product still does not work, replace with a new set of batteries or check the adaptor for damage.

If the problem persists, please call our Consumer Services Department on 01235 546810 (from UK) or +44 1235 546810 (outside UK) and a service representative will be happy to help you.
