Instruction Manual

Sleepy Glow Bear

VTech understands that a child's needs and abilities change as they grow and with that in mind we develop our toys to teach and entertain at just the right level...

vtech Baby

Toys that will stimulate their interest in different textures, sounds and colours

I am...

...responding to colours, sounds and textures

...understanding cause and effect

...learning to touch, reach, grasp, sit-up, crawl and toddle

Birth-36 months

Pre-School

Interactive toys to develop their imagination and encourage language development

I want...

...to get ready for school by starting to learn the alphabet and counting

...my learning to be as fun, easy and exciting as can be

...to show my creativity with drawing and music so my whole brain develops

3-6 years

Electronic Learning Computers

Cool, aspirational and inspiring computers for curriculum related learning

I need...

...challenging activities that can keep pace with my growing mind

...intelligent technology that adapts to my level of learning

...National Curriculum based content to support what I'm learning at school

4-10 years

INTRODUCTION

Thank you for purchasing the **VTech® Sleepy Glow Bear**.

This cuddly bear will soothe baby with its soft glowing light, melodies, songs, nature sounds and loving phrases.

INCLUDED IN THIS PACKAGE

- One VTech® Sleepy Glow Bear
- One Quick Start Guide

WARNING:

All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

NOTE:

Please save this Instruction Manual as it contains important information.

WARNING:

Keep save this soft toy out of the sleeping environment for babies under twelve months to avoid suffocation risk.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned **Off**.
2. Find the battery cover located on the bottom of the electronic module, use a screwdriver to loosen the screw, and then open the battery cover.
3. Remove old batteries by pulling up on one end of each battery.
4. Install 2 new AAA (AM-4/LR03) batteries following the diagram inside the battery box. (For best performance, alkaline batteries or fully charged Ni-MH rechargeable batteries are recommended).
5. Replace the battery cover and tighten the screw to secure.

WARNING:

Adult assembly required for battery installation.
Keep batteries out of reach of children.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES:

- Remove rechargeable batteries (if removable) from toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

Disposal of batteries and product

The crossed-out wheelee bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in the Batteries and Accumulators Regulation.

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Please dispose of your product and batteries responsibly.

In the UK, give this toy a second life by disposing of it at a small electricals collection point* so all of its materials can be recycled.

PRODUCT FEATURES

1. ON/OFF/VOLUME CONTROL SWITCH

To turn the unit **ON**, slide the **ON/OFF/VOLUME CONTROL SWITCH** located on the electronic module inside the bear to the **LOW VOLUME** () or **HIGH VOLUME** () position. To turn the unit **OFF**, slide the **ON/OFF/VOLUME CONTROL SWITCH** to the **OFF** () position.

2. TIMER SWITCH

Slide the **TIMER SWITCH** to the **Demo/15 Minute/30 Minute** position. The unit is set to the demo mode position in the packaging and is only intended to play the program for approximately one minute.

3. LIGHT CONTROL SWITCH

Slide the **LIGHT CONTROL SWITCH** to select the **Light Off** (●), **Low Intensity** (💡) or **High Intensity** (💡) position. The light will fade in and fade out with the music and sounds. If the light starts to flicker, turn the light off then back on. If the light continues to flicker, please change the batteries.

4. AUTOMATIC SHUT-OFF

To preserve battery life, the **VTech® Sleepy Glow Bear** will automatically power-down after the selected time. The unit can be turned on again by pressing any button.

Note: If the unit repeatedly powers down or the light flickers then fades out, please change the batteries.

ACTIVITIES

1. Slide the **On/Off/Volume Control Switch** to turn the unit on. You will hear a gentle sound, a phrase, lullabies and soothing melodies mixed with nature sounds. The light will fade in and out slowly with the sounds.
2. Press the **Heart Button** to hear soothing phrases, lullabies and soft melodies with nature sounds. The light will fade in and out slowly with the sounds.

3. Press the **Music Button** to hear soothing melodies. The light will fade in and fade out slowly with the sounds.

4. Press the **Nature Sound Button** to hear a soothing phrase and soft nature sounds, some sounds are accompanied by a soothing melody. The light will fade in and fade out slowly with the sounds.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Please turn the unit **Off**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **On**. The unit should now be ready to play with again.
5. If the unit still does not work, install a new set of batteries.

CONSUMER SERVICES
