INTRODUCTION

While everyone was busy preparing for the biggest celebration of the year, hyenas invaded the Pride Lands and some baby animals were separated from their parents while trying to run away. Join Kion and the Lion Guard members as they work together to free the Pride Lands of hyenas, reunite the baby animals with their parents, and gather delicious treats to share with others at the Kupatana celebration.

Play the games to earn cave painting stones that you can use to unlock cave paintings for your collection wall in the Lion Lair. Use unlocked cave paintings to make your own fun murals in the Cave Painting Creator.

CURRICULUM

Levels

InnoTab® cartridges have a tiered levelling system. During **Free Play**, choose **Easy**, **Medium** or **Difficult** mode based on your child's age and ability level. For this cartridge, **Easy** is designed for children who are **3-years-old**, **Medium** is designed for **4-year-olds**, and **Difficult** is designed for **5-year-olds**. **On Patrol** mode uses an auto-levelling feature that increases in difficulty based on your child's progress.

Teaches Maths Concepts and More

The **Disney The Lion Guard** cartridge focuses on early maths skills. Opportunities for learning basic maths skills and concepts such as counting, matching, comparisons, spatial recognition, and measurement are seamlessly integrated into our games, allowing children to improve their abilities without interrupting the fun of helping the Lion Guard protect the Pride Lands.

Skill Chart

All **InnoTab®** cartridges help children build skills across multiple subject areas. Here's a list of the skills taught in this cartridge:

● Primary Skill ○ Secondary Skill

Track Your Child's Learning Progress Online

Connect to **VTech's** online **Progress Log** for detailed information about the time your child spends playing this cartridge. We'll give you a breakdown of your child's performance and the skills taught in every game so you can quickly see where your child excels and where additional support is needed.

To view the Progress Log, go to: www.vtech.co.uk/progresslog

The screenshot shows the 'Progress Log' interface for a child named Chris. At the top, it says 'Chris' and 'Last visited on May 4, 2015'. A dropdown menu allows selecting another child. A message states: 'Once Chris has played a few times, connect his device to the Internet to upload his scores, and we'll show you how he's doing.' Below this, there are two tabs: 'Chris's learning achievements' and 'What has Chris played?'. Under 'Chris's learning achievements', there are five categories: 'Toddler', 'Pre-Kindergarten', 'Kindergarten', 'Grade 1', and 'Grade 2 or Above'. Each category has a list of skills: 'Language Development' (Letters, Phonics, Foreign Languages, Handwriting), 'Reading' (Ear's Reading Concepts, Vocabulary & Spelling, Listening & Identifying Sounds, Reading Comprehension), 'Mathematics' (Patterns & Classification, Numbers & Counting, Measurement, Geometry), 'Social Studies & Sciences' (Safety, Community & Culture, Geography, Life Sciences), and 'Creative & Critical Thinking' (Art, Music, Logic & Memory, Visual Skills).

You can also connect directly on the **InnoTab® MAX** by selecting **Progress Log** from the **Parental Controls** menu.

Expand the Learning

As your child progresses through the game, you may want additional apps to extend or supplement your child's understanding. **Learning Lodge™** has over 1,000 apps, bundles, videos, songs and other educational tools to keep your child learning.

Additionally, if your child enjoyed the **Disney The Lion Guard** Maths cartridge, here are some other **InnoTab®** cartridges that may make learning feel more like playing. Cartridges can be purchased in stores or online at vtech.co.uk

WARNING

A very small percentage of the public, due to an existing condition, may experience epileptic seizures or momentary loss of consciousness when viewing certain types of flashing colours or patterns. While playing this cartridge will not contribute to any additional risks, we do recommend that parents supervise their children while they play video games. If your child experiences dizziness, altered vision, disorientation, or convulsions, discontinue use immediately and consult your doctor. Please note that focusing on an LCD screen at close range and handling video game controls for a prolonged period of time may cause fatigue or discomfort. We recommend that children take a 15-minute break for every hour of play.

WARNING: All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

NOTE: Please keep this user's manual as it contains important information.
