# INTRODUCTION

Thank you for purchasing the **VTech® Baby Safe Turtle Thermometer** learning toy!

**Baby Safe Turtle Thermometer** is an innovative bath toy for parents and infants. Parents can press the light-up thermometer button to hear the temperature of the water announced. Baby can press the light-up button to be rewarded with fun phrases, sounds and short tunes. They can also use the scoop and pour turtle to pour water over the water wheel.

# INCLUDED IN THIS PACKAGE

- One VTech® Baby Safe Turtle Thermometer learning toy!
- One scoop & pour turtle cup
- One user's manual

## WARNING:

All packing materials, such as tape, plastic sheets, wire ties, and tags are not part of this toy, and should be discarded for your child's safety.

## NOTE:

Please keep this user's manual as it contains important information.

## UNLOCK THE PACKAGING LOCKS

- ① Turn the packaging lock counter-clockwise several times.
- ② Pull out and discard the packaging lock.

# GETTING STARTED

## BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the bottom of the unit. Use a screwdriver to loosen the screws.
3. Install 1 new AA (AM-3/LR6) battery following the diagram inside the battery box. (The use of a new alkaline battery is recommended for maximum performance.)
4. Replace the battery cover and tighten the screw to secure.
5. When closing the battery cover ensure that the screws are securely tightened. This will avoid any water leakage.

## BATTERY NOTICE

- Use new alkaline batteries or fully charged NI-MH (Nickel Metal-hydride) rechargeable batteries for best performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable (Ni-Cd, Ni-MH), or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

With the **VTech® Baby Safe Turtle Thermometer** safety comes first. To ensure your child's safety, please ensure the battery cover is securely locked into position to avoid injury.

## Disposal of batteries and product

The crossed-out wheeled bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

**Keep the speaker above water. If the speaker fills up with water, remove the turtle from the water and allow the water to drain away from the speaker.**

# PRODUCT FEATURES

## 1. ON/OFF BUTTON

To turn the unit **ON**, press the **ON/OFF BUTTON** (⏻). To turn the unit **OFF**, press the **ON/OFF BUTTON** (⏻) a second time.

## 2. THERMOMETER

The **THERMOMETER** is waterproof and can be fully submerged in the water. For the most accurate reading, mix the water before adding the thermometer to the water. Measure the temperature twice before putting your child in the bath. See additional information below.

## 3. WATER SENSOR

The **WATER SENSOR** is located on the bottom of the turtle. The turtle can read the temperature of the water when the bottom of the turtle is fully submerged in the water. Leave the turtle in the water for a consistent temperature reading.

## 4. LIGHT-UP THERMOMETER BUTTON

1. The **LIGHT-UP THERMOMETER BUTTON** is located on the side of the turtle. Press and hold the button to read the temperature of the water. You will hear the temperature announced and you will hear if the

temperature is too hot, too cold or just right. You will also see the corresponding light indicator light up based on the temperature reading.

2. The ideal water temperature is between 36-39°C. If the temperature is 39°C or higher, the turtle will announce the temperature and that the water is too hot. The hot icon will flash as a visual warning. If the temperature is above 39°C DO NOT place your baby in the bath. You will risk scalding your baby. Add some cool water to reduce the temperature of the water. Check the temperature again before putting your baby in the bath.

3. If the temperature is 36°C or lower, the turtle will announce the temperature and that the water is too cold. The cold icon will flash as a visual warning. Add some warm water and check the temperature again before putting your baby in the bath.

4. For typical bath water temperatures, the accuracy of the thermometer is normally at +/- 1.5°C range.

## 5. AUTOMATIC SHUT-OFF

To preserve battery life, the **VTech® Baby Safe Turtle Thermometer** will automatically power-down after approximately one minute when out of the water and eleven minutes when in the water without input. The unit can be turned on again by pressing any button. The water sensor will not turn the unit back on.

# ACTIVITIES

1. Press the **on/off button** to turn the unit on. You will hear a fun sound, a song and a phrase. The light will flash with the sound.
2. When the turtle is in the water, press and hold the **light-up thermometer button** to hear a playful tune, the temperature of the water and a phrase advising if the water is too hot, too cold or just right. Press the light-up thermometer button quickly to hear a song or a melody. When the turtle is out of the water, press the light-up thermometer button to be reminded to put the turtle into the water.
3. Press the **light-up button** to hear a playful phrase and a sound or a short tune. The light will flash with the sounds.

4. To attach the little turtle to the big turtle place it onto the groove on the big turtles tail.

## MELODY LIST:

1. Sailing, Sailing
2. My Bonnie Lies Over the Ocean
3. Sailor's Hornpipe
4. Ring Around the Rosy
5. A-Tisket, A-Tasket
6. Aloha Oe
7. Down By the Riverside
8. Cockles & Mussels
9. Good Morning Merry Sunshine
10. Shoo Fly Don't Bother Me
11. Skip To My Lou
12. Roses are Red

## SING-ALONG SONG LYRICS

### SONG 1

Three sea turtles swimming in the tub,  
Bobbing up and down, riding the waves.

### SONG 2

Rub-a-dub-dub, three sea turtles in the tub,  
Who do you think they be?  
The mummy, her babies, a cute family,  
Swimming around so free!

# CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Make sure you empty the water out of all the elements of the unit and rinse thoroughly before drying so no sediment or cleaning products are left on the unit.
5. Make sure to dry all the elements of the unit before storing.
6. Do not drop the unit on hard surfaces.

# TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit OFF.
2. Interrupt the power supply by removing the batteries.
3. Let the unit sit for a few minutes, then replace the batteries.
4. Turn the unit ON. The unit should now be ready to play again.
5. If the product still does not work, replace with an entire set of new batteries.

If the problem persists, please call our Consumer Services Department on 01235 546810 (from UK) or +44 1235 546810 (outside UK) and a service representative will be happy to help you.

**IMPORTANT NOTE:**

Creating and developing VTech® products is accompanied by a responsibility that we take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department on 01235 546810 (from UK) or +44 1235 546810 (outside UK), with any problems and/or suggestions that you might have. A service representative will be happy to help you.
