# INTRODUCTION

Introducing the **Soothing Sounds Bear** by **VTech®**

This soft and cuddly on the go bear is great for snuggles and cuddles. Bear has two modes of play that features soothing nature sounds, songs and melodies. Bear's light up tummy gives off a gentle glow to soothe your little one off to sleep. The electronic module can be easily removed and used as a nightlight and the brightness can be adjusted to provide the perfect lighting. There is a strap on the electronic module that allows you to hang it near baby's bed or it can stand up on a side unit. When the electronic module is removed, Bear is machine washable.

# INCLUDED IN THE PACKAGE

- Soothing Sounds Bear
- Quick Start Guide

## WARNING

All packing materials, such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

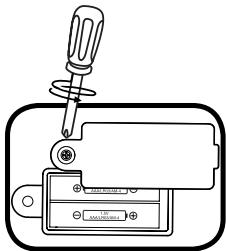

## NOTE

Please keep this Instruction Manual as it contains important information.

# GETTING STARTED

## Battery Removal and Installation

1. Make sure the unit is turned **Off**.
2. Find the battery cover located on the back of the unit, use a screwdriver to loosen the screw, then open the battery cover.
3. Remove old batteries by pulling up on one end of each battery.
4. Install 2 new AAA batteries following the diagram inside the battery box. (For best performance, alkaline batteries or fully charged Ni-MH rechargeable batteries are recommended).
5. Replace the battery cover and tighten the screw to secure.

## WARNING:

Adult assembly required for battery installation.  
Keep batteries out of reach of children.

## BATTERY NOTICE

- Use new alkaline batteries or fully charged NI-MH (Nickel Metal-hydride) rechargeable batteries for best performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

## Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

**VTech® cares for the planet.**

Care for the environment and give your toy a second life by disposing of it at a small electricals collection point so all its materials can be recycled.

### In the UK:

Visit [www.recyclenow.com](http://www.recyclenow.com) to see a list of collection points near you.

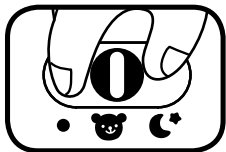

### In Australia & New Zealand:

Check with your local council for kerbside collections.

## PRODUCT FEATURES

### 1. On/Off/Mode Switch

To turn the unit **On**, slide the **On/Off/Mode Switch** to Hug Me Mode  or Sleep Mode  position. You will hear soothing songs, phrases and sounds in Hug Me Mode and soothing songs and melodies in Sleep Mode. To turn the unit **Off**, slide the **On/Off/Mode Switch** to the **Off**  position.

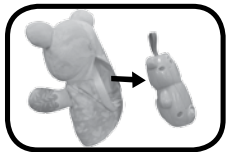

### 2. Detachable Nightlight

The **Detachable Nightlight** creates a gentle glow. Remove the night light from the bear and it can be hung near a cot or stand on a unit.

### 3. Electronic Module

The electronic module is removable so the fabric portion of the **VTech® Soothing Sounds Bear** can be washed in a washing machine. **REMOVE** the electronic module before washing the fabric bear.

## Automatic Shut-Off

To preserve battery life, the **Soothing Sounds Bear** will automatically shut off after approximately 60 seconds without input in **Hug Me Mode**. The unit can be turned on again by pressing the **Heart Button**.

## NOTE

If the Bear powers down or if the light fades out during play, please install a new set of batteries.

# ACTIVITIES

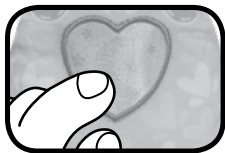

## 1. Sleep Mode

Press the light up **Heart Button** to hear soothing sounds, short tunes and melodies. The lights fade in and fade out with the sounds. In **Sleep Mode** it will activate 15 minutes of soothing melodies and nature sounds to sooth baby back to sleep.

## 2. Hug Mode

Press the **Heart Button** in **Hug Mode** to hear loving phrases and sing-along songs. Little ones will love to cuddle the bear and feel comforted. The lights fade in and out with the sounds.

# SONG LYRICS

## Song 1

It's time to go to sleep,  
No time for even a peep.  
The night's begun,  
The stars are out,  
It's time to go to sleep.

## Song 2

Hush little baby,  
Please close your eyes.  
You'll feel safe if you hold me tight.

## Song 3

Rock a bye, baby, time to sleep,  
Dreaming of what tomorrow will bring.

# CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on a hard surface and do not expose the unit to excess moisture.
5. Please remove electronic module from the bear and follow the care instructions on the tag. When the electronic module is removed the fabric bear is machine washable.

# TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit sit for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play with again.
5. If the product still does not work, install a brand new set of batteries.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you.
