- One Parent's Guide

WARNING:

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties and packaging screws are not part of this toy and should be discarded for your child's safety.

NOTE:

Please keep this Parent's Guide as it contains important information.

GETTING STARTED

Battery Removal and Installation

1. Make sure the unit is turned **Off**.
2. Locate the battery cover on the electronic module inside the unit. Use a screwdriver to loosen the screw and open the battery cover.
3. Remove old batteries by pulling up on one side of each battery.
4. Install 2 new AAA (AM-4/LR03) batteries following the diagram inside the battery box. (The use of a new alkaline batteries is recommended for maximum performance).
5. Replace the battery cover and tighten the screw to secure.

BATTERY NOTICE

- Use new alkaline batteries or fully charged NI-MH (Nickel Metal-hydride) rechargeable batteries for best performance.
- Use only batteries of the same or equivalent type as recommended.
- Do not mix different types of batteries: alkaline, standard (carbon-zinc) or rechargeable, or new and used batteries.
- Do not use damaged batteries.
- Insert batteries with the correct polarity.
- Do not short-circuit the battery terminals.
- Remove exhausted batteries from the toy.
- Remove batteries during long periods of non-use.
- Do not dispose of batteries in fire.
- Do not charge non-rechargeable batteries.
- Remove rechargeable batteries from the toy before charging (if removable).
- Rechargeable batteries are only to be charged under adult supervision.

Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

PRODUCT FEATURES

1. OFF / Low / High Volume Control Switch

To turn the unit **On**, slide the **OFF / Low / High Volume Control Switch** to the **Low** (🔊) or the **High** (🔊🔊) volume position. You will hear a sound, phrase and a song. To turn the unit **Off**, slide the **OFF / Low / High Volume Control Switch** to the **Off** (●) position.

2. Automatic Shut Off

To preserve battery life, the **Little Friendlies Discovery Ball Cube** will automatically power down after approximately 45 seconds without input. The unit can be turned on again by pressing the **Number Buttons**.

Note:

If the unit repeatedly powers down while playing, or the light fades out, we suggest changing the batteries.

ACTIVITIES

1. Number Buttons

Press the **Number Buttons** to learn about numbers and colours. You will also hear sing-along songs, melodies and playful sounds. The puppy's face will flash with the sounds.

2. Motion Sensor

Shake the cube to activate the **Motion Sensor**. You will hear an assortment of playful and silly sounds. The puppy's face will flash with the sounds.

3. Tactile Stimulation

The **Little Friendlies Discovery Ball Cube** includes a variety of fabric textures and plastic features. These features encourage interaction and provide an assortment of tactile play opportunities.

12. London Bridge
13. Grandfather's Clock
14. Ring Around The Rosy
15. Diddle, Diddle Dumpling

SING-ALONG SONG LYRICS

Song 1

I'm a little puppy who loves to play,
Won't you come along and play with me?
We can have so much fun,
Just you and me,
Let's learn and play together!

Song 2

One, two, three, count with me.
Three, two, one, we are having fun!

Song 3

Can you hear the little puppy, the puppy, the puppy?
Can you hear the little puppy? Barking to say hi!

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be used for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to excess moisture or water.
5. The unit is surface washable. Remove the electronic module before wiping down the unit.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Turn the unit Off
2. Interrupt the power supply by removing the batteries
3. Let the unit stand for a few minutes, then replace the batteries
4. Turn the unit back On. The unit should now be ready to play with again
5. If the unit still does not work, install a new set of batteries

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you.
