- Quick Start Guide

WARNING

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE

Please save this Instruction Manual as it contains important information.

WARNING

Do not aim at eyes and face.

INSTRUCTIONS

BATTERY REMOVAL AND INSTALLATION

1. Make sure the unit is turned **Off**.
2. Find the battery cover located on the bottom of the unit and use a screwdriver to loosen the screw, then open the battery cover.
3. Remove old batteries by pulling up on one end of each battery.
4. Install 2 new AA batteries following the diagram inside the battery box. (For best performance, alkaline batteries or fully charged Ni-MH rechargeable batteries are recommended).
5. Replace the battery cover and tighten the screw to secure.

WARNING:

Adult assembly required for battery installation.

Keep batteries out of reach of children.

NOTE

If the unit powers down during play, please install a new set of batteries.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES:

- Remove rechargeable batteries (if removable) from the toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in the Batteries and Accumulators Regulation.

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

VTech® cares for the planet.

Care for the environment and give your toy a second life by disposing of it at a small electricals collection point so all its materials can be recycled.

In the UK:

Visit www.recyclenow.com to see a list of collection points near you.

In Australia & New Zealand:

Check with your local council for kerbside collections.

PRODUCT FEATURES

1. Off/Low/High Volume Switch

To turn the unit **On** or adjust the volume, slide the switch to the Low  or High  volume position. To turn the unit **Off**, slide the switch to the **Off**  position.

2. Sounds Button

Press the **Sounds Button** to hear fun phrases and cool dragon sounds with light effects in Dragon mode, or to hear fun phrases and great vehicle sounds in Vehicle mode.

3. Action Button

Press the **Action Button** when in Dragon mode for cool light effects and to trigger head and arm movement.

4. Switch Button

In Vehicle mode, press the **Switch Button** to automatically switch from Vehicle mode to Dragon mode.

The **LCD Screen** shows dragon eye animations in Dragon mode and shows driver animations in Vehicle mode.

6. Automatic Shut-Off

To preserve battery life, the unit will automatically shut off after approximately 20 seconds without input. The unit can be turned on again by pressing the **Sounds Button** or **Action Button**, or by switching between Dragon and Vehicle modes. The unit will also automatically turn off when battery power is very low.

SWITCHING MODES

Switching from Dragon mode to Vehicle mode

1. Dragon mode.

2. Flip the tail up towards the dragon's body.

3. Move the legs toward the dragon's body.

4. Vehicle mode.

Switching from Vehicle mode to Dragon mode

Press the Switch Button to automatically switch from Vehicle to Dragon mode.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Turn the unit **Off**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **On**. The unit should now be ready to use again.
5. If the unit still does not work, install a new set of batteries.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help you.

CONSUMER SERVICES

Creating and developing **VTech®** products is accompanied by a responsibility that we at **VTech®** take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to call our Consumer Services Department with any problems and/or suggestions that you might have. A service representative will be happy to help you.
