GETTING STARTED

Battery Removal and Installation

1. Make sure the unit is turned **Off**.
2. Find the battery cover on the back of the **Electronic Module** inside the fawn. Use a screwdriver to loosen the screw and then open the battery cover.
3. Remove old batteries by pulling up on the side of each button cell battery.
4. Install 3 new LR44 batteries following the the diagram inside the battery box.
5. Replace the battery cover and tighten the screw to secure.

WARNING:

This product contains one or more button cells or coin batteries. If swallowed, a button or coin cell battery can cause internal chemical burns in as little as two hours and can lead to death. Dispose of used batteries immediately. Keep new and used batteries away from children. If you think batteries might have been swallowed or placed inside any part of the body, seek immediate medical attention, and go straight to the nearest hospital emergency department.

Australia/New Zealand:

If you think batteries might have been swallowed or placed inside any part of the body, immediately call the 24-hour Poisons Information Centre on 13 11 26 (in Australia) or 24-hour National Poisons Centre on 0800 764 766 (in New Zealand) for fast, expert advice and go straight to the nearest hospital emergency room.

BATTERY NOTICE

- Use three LR44 alkaline button cell batteries only for this toy.
- The button cell batteries used with this product should be kept away from small children who might still put things in their mouths. If the button cell battery is swallowed, consult a doctor immediately.
- Insert the button cell batteries with the correct polarity (+ and -).
- Do not use damaged button cell batteries.
- Do not short-circuit the button cell battery terminals.
- Remove the exhausted battery cell battery from the toy.
- Remove the button cell batteries during long periods of non-use.
- Do not dispose of button cell batteries in fire.
- Do not charge a non-rechargeable button cell battery.
- Do not mix old and new batteries.
- Do not mix different types of batteries: alkaline or standard (silver oxide).

Disposal of batteries and product

The crossed-out wheeled bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

VTech® cares for the planet.

Care for the environment and give your toy a second life by disposing of it at a small electricals collection point so all its materials can be recycled.

In the UK:

Visit www.recyclenow.com to see a list of collection points near you.

In Australia & New Zealand:

Check with you local council for kerbside collections.

CAUTION:

Adult assembly required. For your child's safety, do not let your child play with the toy until it is fully assembled.

INSTRUCTIONS FOR WASHING

The **My Friend Fawn** is machine washable. Please remove the **Electronic Module** from the fawn before cleaning.

1. Open the hook-and-loop closure on the back of the fawn and remove the **Electronic Module**.
2. Follow the care instructions on the fabric tag.
3. After washing, re-insert the **Electronic Module** and secure the hook-and-loop closure.

PRODUCT FEATURES

1. On/Off/Volume Switch

To turn the unit **On**, slide the **On/Off/Volume Switch** located on the **Electronic Module** to the Low  or High volume  position. You will hear a sing-along song, a welcoming phrase and sounds. To turn the unit **Off**, slide the **On/Off/Volume Switch** to the **Off**  position.

2. Automatic Shut-Off

To preserve battery life, the **My Friend Fawn** will automatically shut off after each audio response. The unit can be turned on again by pressing the **Light Up Nose Button**.

NOTE

If the unit powers down or if the light fades out during play, please install a new set of button cell batteries.

ACTIVITIES

1. Light Up Nose Button

Press the fawn's **Light Up Nose Button** to hear a variety of soothing melodies and gentle nature sounds. Press and hold the **Light Up Nose Button** to hear sweet sounds and loving phrases. The light will flash with the voice and fade in and out with the music and sounds.

2. Ribbon Attachment and Teether Toy

Use the included leaf-shaped **Teether Toy** to provide your child with oral sensory stimulation, or attach your own dummy using the **Ribbon Attachment**.

NOTE

Before using the **Teether Toy** for the first time and after each use, wash with warm soapy water, then rinse. **DO NOT** use boiling water, steam, a microwave or dishwasher to clean the **Teether Toy**.

3. Fold Up Fawn

Transform the fawn blanket into a fabric fawn to cuddle.

Folding Instructions

To change the fawn to a fabric toy, please follow these steps:

1. Lay the fawn flat, then fold the bottom point of the square back and in half to form a triangle.

2. Fold the right side in, then fold the left side on top, tucking the arms inside.

3. Secure the blue **Ribbon Loop** from the right side over the **Ribbon Tab** on the left.
