## INTRODUCTION

The Intergalactic bounty hunter, Sledge, wants to capture the mysterious Energems from the Earth. It is up to the team of teen heroes known as the Power Rangers Dino Charge to hunt down the rest of the Energems and stop their power from being used for evil!

## CURRICULUM

### Levels

This cartridge has a tiered levelling system. During **Missions**, choose **Easy** or **Difficult** mode based on your child's age and ability level. For this cartridge, **Easy** is for approximately **4 and 5-year-olds**, while **Difficult** is for ages **5-6**. For **Free Play**, you can likewise select **Easy** and **Difficult**. Difficulty increases as your child progresses through each game.

## Teaches Maths Concepts and More

Sledge has devised a new plan to steal all the Energems from the Earth, so the Power Rangers need to go on a mission to stop the bounty hunter's evil plan. Between each of the mission games, surprise mini-games provide great opportunities for short, focused learning with various Maths curriculum directly related to the story of Saban's Power Rangers: Dino Charge.

# Track Your Child's Learning Progress Online

Connect to **VTech's** online **Progress Log** for detailed information about the time your child spends playing this cartridge. We'll give you a breakdown of your child's performance and the skills taught in every game so you can quickly see where your child excels and where additional support is needed.

To view the Progress Log, go to: [www.vtech.co.uk/progresslog](http://www.vtech.co.uk/progresslog)

The screenshot shows the 'Progress Log' interface for a child named Chris. At the top, it says 'Chris' and 'Last visited on May 4, 2015'. Below this is a dropdown menu to 'Choose another child'. A message states: 'Once Chris has played a few times, connect his device to the Internet to upload his scores, and we'll show you how he's doing.' The main section is titled 'Chris's learning achievements' and has tabs for '12-36 Months', '3 Years & Up', '4 Years & Up', '5 Years & Up', and '6 Years & Up'. The '4 Years & Up' tab is selected. The interface is organized into a grid of skill categories, each with a list of specific skills:

Category	Skills
Language Development	Letters, Phonics, Grammar, Handwriting
Reading	Early Reading Concepts, Vocabulary & Spelling, Listening & Identifying Sounds, Reading Comprehension
Mathematics	Patterns & Classification, Numbers & Counting, Measurement, Geometry, Computation
Social Studies & Sciences	Safety, Community & Culture, Life Sciences
Creative & Critical Thinking	Art, Music, Logic & Memory, Visual Skills

You can also connect directly on the **InnoTab® MAX** by selecting **Progress Log** from the **Parental Controls** menu.

## Expand the Learning

As your child progresses through the game, you may want additional apps to extend or supplement your child's understanding. **Learning Lodge™** has over 1,000 apps, bundles, videos, songs and other educational tools to keep your child learning.

Additionally, if your child enjoyed the Power Rangers: Dino Charge Maths cartridge, here are some other **InnoTab®** cartridges that may make learning feel more like playing. Cartridges can be purchased in store or online at [www.vtech.co.uk](http://www.vtech.co.uk)

### WARNING

A very small percentage of the public, due to an existing condition, may experience epileptic seizures or momentary loss of consciousness when viewing certain types of flashing colours or patterns. While playing this cartridge will not contribute to any additional risks, we do recommend that parents supervise their children while they play video games. If your child experiences dizziness, altered vision, disorientation, or convulsions, discontinue use immediately and consult your doctor. Please note that focusing on an LCD screen at close range and handling video game controls for a prolonged period of time may cause fatigue or discomfort. We recommend that children take a 15-minute break for every hour of play.

**WARNING:** All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

**NOTE:** Please keep user's manual as it contains important information.
