WARNING: All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE: Please save this Instruction Manual as it contains important information.

GETTING STARTED

BATTERY INSTALLATION

1. Make sure the unit is turned **OFF**.
2. Locate the battery cover on the back of the rattle. Use a screwdriver to loosen the screw and then open the battery cover.
3. Remove old batteries by pulling up on one end of each battery
4. Install 1 new AAA battery following the diagram inside the battery box. (The use of new, alkaline batteries is recommended for maximum performance.)
5. Replace the battery cover and tighten the screw to secure.

WARNING: Adult assembly required for battery installation. Keep batteries out of reach of children.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES

- Remove rechargeable batteries from the toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

Disposal of batteries and product

The crossed-out wheeled bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in the Batteries and Accumulators Regulation.

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Help protect the environment by disposing of your product or batteries responsibly.

VTech® cares for the planet.

Care for the environment and give your toy a second life by disposing of it at a small electricals collection point so all its materials can be recycled.

In the UK:

Visit www.recyclenow.com to see a list of collection points near you.

In Australia & New Zealand:

Check with your local council for kerbside collections.

PRODUCT FEATURES

1. Off/Low/High Volume Control Switch

To turn the unit **ON**, slide the **Off/Low/High Volume Control Switch** to the low volume (🔊) or high volume (🔊🔊🔊) position. To turn the unit **OFF**, slide the **Off/Low/High Volume Control Switch** to the **OFF** (●) position.

2. Automatic Shut-Off

To preserve battery life, the **Touch & Feel Sensory Keys** will automatically shut off after approximately 30 seconds without input. The unit can be turned on again by pressing the light up button.

NOTE: If the unit repeatedly powers down while playing, please install a new set of batteries.

ACTIVITIES

1. Light Up Button

Press the light up button to hear fun phrases, songs, sounds and melodies. The light will flash with the sounds.

2. Motion Sensor

Shake the rattle to hear fun sounds. When a song or a melody is playing, shake the rattle again to add fun sounds on the top of the song or melody. The light will flash with the sounds.

3. Textured Teether

The soft textured teether key soothes your little one's sore gums and the textured design promotes sensory development.

SONG LYRICS

Song 1

Hop in the car, we're ready to go,
Start the engine, where should we go?
Buckle up, it's time to go,
Let's cruise all around the town.

Song 2

I shake, shake my car keys,
And jump into the driver's seat.

Song 3

Jingle, jangle, 1-2-3
Grab the keys
Come on, let's go!

MELODY LIST

1. Bingo
2. The Wheels on the Bus
3. Yankee Doodle
4. Aiken Drum
5. Bicycle Built for Two
6. Diddle, Diddle Dumpling
7. The Entertainer
8. Good Morning Merry Sunshine
9. Hot Cross Buns
10. Jack and Jill
11. Little Boy Blue
12. Looby Loo
13. Muffin Man
14. My Bonnie Lies Over the Ocean
15. Pat-A-Cake

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat source.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to excess moisture.

TROUBLESHOOTING

If for some reason the program/activity stops working or malfunctions, please follow these steps:

1. Please turn the unit **Off**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **On**. The unit should now be ready to play with again.
5. If the product still does not work, install a brand new set of batteries.

If the problem persists, please contact our Consumer Services Department and a service representative will be happy to help.

CONSUMER SERVICES

Creating and developing **VTech®** products is accompanied by a responsibility that we at **VTech®** take very seriously.
