6. Three **ACCESSORIES** are included for role play fun.

7. Place the **MAGICPOINT TEA SET** accessory around the palace for role play fun.

8. The palace can be folded for easy storage. Fold in the left and right sides as shown below. When folding in the sides, be sure to insert the prongs on each side of the palace into their respective slots located on the edge of the second floor.

Note: You need to remove or fold back the staircase to be able to completely close the palace.

CARE & MAINTENANCE

1. Keep the unit and its metal parts clean by wiping them with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries when the unit is not in use for an extended period of time.
4. Do not drop the unit on a hard surface and do not expose the unit to excess moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions while playing with a **MagicPoint** accessory, please remove the character from the accessory and place the character back onto the **MagicPoint**.

If the unit still does not function, or if for some reason the unit stops working or malfunctions on its own, please follow these steps:

1. Please turn the unit **OFF**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **ON**. The unit should now be ready to play again.
5. If the product still does not work, replace with a new set of batteries.
