Dear Parent,

At VTech®, we know how much you enjoy staying on top of the hottest trends and having the most high-tech gadgets around. We also know that your children feel the same way. With that in mind, we developed InnoTab®, our first multi-function tablet just for children that brings all the magic of Mum's and Dad's tablets into a fun-filled learning experience that fits their active lifestyles.

InnoTab® is the next generation of learning toy for children aged 3-9 that has a rich library of cartridge software with interactive animated e-books, learning games, creative activities along with a wide variety of additional apps to download. It features a 5" colour LCD touch screen, a G-sensor for game control, as well as a USB port for downloads, SD card slot for memory expansion and a headphone jack, all housed in a stylish, durable and compact design for easy portability.

When playing with InnoTab®, children can look, listen, touch, and tilt their way through activities to discover a world of fun whenever they want and wherever they go. Through interactive play, your child will develop skills in reading, maths, social studies, science, music, creativity, and more—which we know is important to you.

At VTech®, we are dedicated to helping your children uncover their talents. We thank you for your trust in our products that encourage active minds through imaginative play.

Sincerely,

Your friends at VTech®

INTRODUCTION

Doc loves to play with her toys, and she loves it even more when they're happy and healthy. Help Doc give her toys a check-up so she can take their ouchies away. You can also read a story about Lambie and Doc in an e-book, colour in Doc's Big Book of Boo-Boos, and play games with Doc and her friends. The Doc is in!

INCLUDED IN THIS PACKAGE

1 InnoTab® cartridge – Disney Doc McStuffins

1 InnoTab® cartridge user's manual

WARNING: All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

Note: Please keep the user's manual as it contains important information.

GETTING STARTED

STEP 1: Insert the InnoTab® Cartridge

Make sure the unit is turned off. Insert the InnoTab® cartridge firmly down into the cartridge slot located on the back of the unit and push until it clicks into place as shown in the below image.

STEP 2: Select the Cartridge Icon

Touch the cartridge icon on the **InnoTab®** desktop.

Note: Your **InnoTab®** desktop may look slightly different from the image on the right, depending on which version of **InnoTab®** you own.

Cartridge icon

STEP 3: Choose How You Want to Play

There are six ways to play. Touch an icon to choose.

Doc's Playtime: Play fun learning games with Doc and the toys or help Doc give the toys a check-up!

Free Play: Access the learning games. Play games and earn a high score in Doc's Playtime to unlock them all!

E-Book: Read or listen to the interactive e-book.

Health Tips: Learn how to be healthy by reading Doc's health tips! Fix the toys in Doc's Playtime to unlock them.

Doc's Big Book of Boo-Boos: Draw and colour pictures in Doc's Big Book of Boo-Boos. Fix the toys to unlock more pages!

Photo Fun*: Take fun pictures with Doc McStuffins frames and stamps.

***Note:** If your version of **InnoTab®** has a built-in camera, a camera activity will appear in the cartridge menu. If your version of **InnoTab®** does not have a built-in camera, this activity will not be available.

THE HARD KEYS

HOME

Exit the current activity and return to the **InnoTab®** desktop.

HELP BUTTON

Replay instructions, or ask for a hint.

SETTINGS

Music On/Off

To turn the background music on or off, touch the **Music On/Off** icon on the cartridge menu.

Music On/Off icon

Note: If your version of **InnoTab®** has a built-in camera, a camera activity will appear in the cartridge menu. If your version of **InnoTab®** does not have a built-in camera, this activity will not be available.

Levels

There are two levels for each game; a level selection menu will appear when the player selects Doc's Playtime or a game icon in Free Play. Touch Easy or Difficult to choose.

ACTIVITIES

E-Book

Menu Page

After touching the e-book icon, you will see a menu page:

- Touch the "Read the Story" icon to go to the index page.
- Touch the "Story Dictionary" icon to see vocabulary words from the story.
- Touch the "Settings" icon to turn the vocabulary word highlights and music on or off.

Index Page

After touching the "Read the Story" icon, you will see an index page. You can start the story from the beginning by touching "Whole Story" or you can choose any page to start reading.

Story Page

In each story page, touch anywhere on the screen to stop the story narration and to enter **Free Play**. When the story narration has finished, you will enter **Free Play** mode automatically.

In **Free Play**, you can touch the words one by one to read the story at your own pace, touch highlighted vocabulary words to hear their definitions, or touch images in the art to hear fun voices and sounds. If you don't touch the screen for awhile, the story narration will continue automatically to the next page.

Click the screen left or right or press the left or right arrow to play the previous or next page.

To listen to the story narration again, touch the **Replay** icon  on the screen. To go back to the index page, touch the **Index** icon  on the screen.

Story Dictionary

After touching the “Story Dictionary” icon, you will see a selection page. Touch a vocabulary word to learn more about it.

Doc's Playtime

There's always time for fun in Doc's Playtime! See Doc and her friends in the clinic and choose how you want to play.

Inside Doc's Clinic

There are three ways to enter a game in Doc's Playtime:

- Touch the door to choose a place to go.
- Touch Doc's clipboard* to choose a toy to play with.
- Touch Doc's Big Book of Boo-Boos* to draw and colour.

*Some toys and pages are locked on Doc's clipboard and in Doc's Big Book of Boo-Boos. You can unlock them by helping Doc fix some toys. Touch the door to find the toys.

The Door

Touching the door allows you to play games where Doc lives and plays. There are six locations to choose from. Touch any location to visit it. Sometimes you'll play a fun game and sometimes a toy will need Doc to give it a check-up.

Playing Games with the Toys

There are a total of nine different games that you can play in Doc's Playtime. The games have different levels of difficulty and help develop essential skills.

Game 1: Ballet Dance Party

Bella is showing Lambie some dance moves. Remember the moves and help Lambie repeat them to score.

Curriculum: Memory

Note: For optimal performance, use the stylus to play this game.

Game 2: Letter Bubbles

Doc is playing outside with the toys and they've found some bubbles. Spell the words by tapping on the correct letter bubbles.

Curriculum: Spelling

Game 3: Hide-and-Seek

Doc and the toys are playing hide-and seek. Look carefully and tap to find all the toys.

Curriculum: Visual Skills

Game 4: Marble Rolling

Doc and the toys are playing a game of marbles. Flick the coloured marbles into the cups that are the same colour. Then flick a marble to answer some maths questions.

Game 5: Stack Those Blocks

Doc is going to build a block tower with Niles and Stuffie. Find the block that matches the missing block and build a tall tower.

Curriculum: Matching

Game 6: Odd One Out

Doc is playing a card game with Stuffie. Tap on the card that looks different from the others. Tap the card before Stuffie does.

Curriculum: Logic

Game 7: Matching Pairs

Doc is playing a card game with Stuffie. Remember where each card is when the cards are revealed. During your turn, tap on two cards to reveal a matching pair. Get the most pairs to win!

Curriculum: Memory

Game 8: Follow That Card

Doc is playing a card game with Stuffie. As the cards move around, follow the card that has the picture. When the cards stop moving, tap the card before Stuffie does.

Curriculum: Observation

Game 9: Check-Up Games

Help Doc give the toys a check-up and diagnose their problems. Then help Doc fix the toys.

Curriculum: Problem Solving, Health

Free Play

In this activity, you can access the Doc's Playtime Games except the Check-Up Games. Some of these games will be locked. Get a high score in Doc's Playtime to unlock them all!

Health Tips

After fixing a toy, a health tip will be unlocked. Read them and learn how to stay happy and healthy.

Doc's Big Book of Boo-Boos

After completing a Check-Up Game, a page in Doc's Big Book of Boo-Boos will unlock. Get creative and draw and colour any way you'd like on the pages.

Curriculum: Creativity

Photo Fun*

In this activity, you can take photos with different Doc McStuffins characters and stamps.

Curriculum: Creativity

*NOTE: If your version of **InnoTab®** has a built-in camera, a camera activity will appear in the cartridge menu. If your version of **InnoTab®** does not have a built-in camera, this activity will not be available.

ONLINE FEATURES

Register online to keep track of your child's learning journey with personalised recommendations. You can also connect to our **Learning Lodge™** to download great apps, games, e-books and more!

If you have not already installed the **InnoTab®** version of the **Learning Lodge™** software on your computer, go to www.vtechuk.com/download to download and install it.

CARE & MAINTENANCE

1. Keep the **InnoTab®** cartridge clean by wiping it with a slightly damp cloth. Never use solvents or abrasives.
2. Keep it out of direct sunlight and away from direct sources of heat.
3. Avoid dropping it. **NEVER** try to dismantle it.
4. Always keep the **InnoTab®** cartridge away from water.

WARNING

A very small percentage of the public, due to an existing condition, may experience epileptic seizures or momentary loss of consciousness when viewing certain types of flashing colours or patterns. While **InnoTab®** The Learning App Tablet does not contribute to any additional risks, we do recommend that parents supervise their children while they play video games. If your child experiences dizziness, altered vision, disorientation, or convulsions, discontinue use immediately and consult your doctor. Please note that focusing on an LCD screen at close range and handling touch screen or g.sensor controls for a prolonged period of time may cause fatigue or discomfort. We recommend that children take a 15-minute break for every hour of play.

TROUBLESHOOTING

Please note that if you try to insert or remove an **InnoTab®** cartridge without first turning the unit **OFF**, you may experience a malfunction. If this happens, and the unit does not respond to pressing the **ON/OFF** button, disconnect the AC adaptor from the main unit or remove the batteries. Then, reconnect the adaptor, or reinstall the batteries.

TECHNICAL SUPPORT

If you have a problem that cannot be solved by using this manual, we encourage you to visit us online or contact our Consumer Services Department with any problems and/or suggestions that you might have. A support representative will be happy to assist you.

Before requesting support, please be ready to provide or include the information below:

- The name of your product or model number (the model number is typically located on the back or bottom of your product).
- The actual problem you are experiencing.
- The actions you took right before the problem started.

PRODUCT WARRANTY

Thank you for choosing this quality product from VTech. We hope it will bring many hours of entertainment, imaginative play and learning.

1. The product detailed above is covered by a one year warranty from the date of purchase, against any defects in materials or workmanship.
2. The product may be returned to the place of purchase. Alternatively the product can be returned to VTech Electronics Europe plc (see address below), with proof of purchase, without proof of purchase no replacement will be provided.
3. VTech Electronics Europe plc will examine the product and if it is found to be defective due to faulty materials or workmanship, will replace the product at their discretion.
4. If the product covered by this warranty is damaged due to misuse, modification or unauthorised repair, or because of faulty batteries, battery discharge or incorrect electrical connections, then this warranty becomes void.
5. This warranty is personal to the original purchaser and is not transferable.
6. Breakages to the LCD screen are not covered by the warranty.
7. Returns to VTech Electronics Europe plc should include a cheque or postal order for £1.50 towards the cost of return postage and packaging.
8. Products returned to VTech Electronics Europe plc, should be addressed as follows and packed carefully to avoid damage in transit (Please do not include batteries or adaptor).
Please include details of the fault together with your name and address.

VTech Electronics Europe plc, c/o Tablogix Limited, 200 Milton Park, Abingdon, Oxon OX14 4TA

THIS WARRANTY IS OFFERED AS AN EXTRA BENEFIT AND DOES NOT AFFECT CONSUMERS' STATUTORY RIGHTS.

This warranty is valid for the UK and Eire only. For products purchased outside the UK and Eire, please contact your local distributor or place of purchase.
