INTRODUCTION

Thank you for purchasing the **VTech® Sing and Soothe Mobile** learning toy!

The **VTech® Sing and Soothe Mobile** plays 4 soothing sung songs, 40 relaxing melodies and peaceful nature sounds whilst the activity panel emits a calming glow. The leaves spin gently around, while the five beautifully coloured dangling characters turn round and round with the music to help lull baby to sleep. The adjustable timer setting allows parents to select the time that best suits baby's needs.

DEMO TAG

The demo tag should be removed automatically when the product is taken out of the packaging. If the demo tag is still in position, please remove the plastic strip from the back of the product before placing in the cot. This will activate normal play.

With the **Sing and Soothe Mobile**, safety comes first.

- Keep the mobile out of baby's reach. To avoid entanglement injuries, please remove the mobile portion from the cot once baby begins sitting or pushing up on all fours.
- Age range of mobile - Birth to 5 months
- The cot mobile is intended for visual stimulation and is not intended to be grasped by a child.
- If attached to the cot, remove when your baby begins to push up on hands and knees.
- Always attach all provided fasteners (strings, straps, clamps, etc.) tightly to a cot or playpen according to the instructions. Check frequently. Attach only to cots with sturdy rails and spindles. Do not attach to playpens with mesh walls.
- Do not add additional strings or straps to attach to a cot or playpen.
- To ensure your child's safety, the product should be assembled by an adult.
- Make sure the cot attachment straps are out of your child's reach.
- When removing the **VTech® Sing and Soothe Mobile** from the cot, please detach the cot attachment straps from the unit, and keep the straps out of your child's reach.

Assembly Instructions

1. Take the cord with both a dangling character and leaf piece, then thread it up through the bottom of the hole on the large leaf. Set the knot so it rests on the smaller hole on the leaf.
2. Take the cord with just a dangling character piece and slide it through the slit in the leaf. Set the knot so it rests securely in the hole on the leaf.
3. Attach the turning leaf piece into the recessed slot on top of the mobile support post. You will hear a click when the post is inserted correctly.
4. Attach the bottom of the mobile support post into the recessed slot on the top of the activity panel. You will hear a click when the post is inserted correctly.
5. Place the unit in the cot against the top rail. Press the yellow button and slide the cot attachment strap up through the slot behind the button. Repeat with the second cot attachment strap.

6. Tie the cord securely around the nearest spindle. Pull slightly on the unit to make sure the straps have been securely fastened. The unit should be tight against the cot rail. Check the unit regularly to ensure it is secure.
7. To detach the mobile from the activity panel, press the small yellow button on the back of the activity panel and pull up on the mobile support post.
8. To detach the cot attachment straps, open the battery door, then slide the switches next to the straps toward the centre of the activity panel and pull the cot attachment straps free.

NOTE: The unit without mobile leaves and pole can be removed from the cot and placed on a table.

Sing-Along Song Lyrics**Song 1**

Go to sleep my baby.
Sleep well, safe and sound.
Sweet dreams I wish for you.
Dear friends all around.
La la la la la la.
La la la la la.
La la la la la la.
La la la la la.

Song 2

Twinkle, twinkle, little star,
How I wonder what you are.

Song 3

Beautiful dreamer, wake unto me.
Starlight and dewdrops are awaiting thee.

Song 4

Rock-a-bye baby, in the tree top.
When the wind blows the cradle will rock.
