Cuddle up with this wonderful whale featuring multiple textures, a light up heart button, five multicoloured piano keys and more! Explore and snuggle!

INCLUDED IN THE PACKAGE

- Snuggly Sounds Whale
- Quick Start Guide

WARNING

All packing materials, such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE

Please save this Instruction Manual as it contains important information.

IMPORTANT NOTES

- This product is in try-me mode in the packaging. To activate normal play, turn the unit **Off**, then slide the **On/Off/Volume Switch** to the Low volume **I**) or High volume **I)I**) position.

GETTING STARTED

Battery Removal and Installation

1. Make sure the unit is turned **Off**.
2. Find the battery cover located on the bottom of the electronic module inside the whale, use a screwdriver to loosen the screw, and then open the battery cover.
3. Remove old batteries by pulling up on one end of each battery.
4. Install 2 new AA (AM-3/LR6) batteries following the diagram inside the battery box. (For best performance, alkaline batteries or fully charged Ni-MH rechargeable batteries are recommended).
5. Replace the battery cover and tighten the screw to secure.

WARNING:

Adult assembly required for battery installation.
Keep batteries out of reach of children.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES

- Remove rechargeable batteries (if removable) from toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

Disposal of batteries and product

The crossed-out wheellie bin symbols on products and batteries, or on their respective packaging, indicates they must not be disposed of in domestic waste as they contain substances that can be damaging to the environment and human health.

The chemical symbols Hg, Cd or Pb, where marked, indicate that the battery contains more than the specified value of mercury (Hg), cadmium (Cd) or lead (Pb) set out in Battery Directive (2006/66/EC).

The solid bar indicates that the product was placed on the market after 13th August, 2005.

Please dispose of your product and batteries responsibly.

In the UK, give this toy a second life by disposing of it at a small electricals collection point* so all of its materials can be recycled.

11. Chopsticks
12. Dill Pickles Rag
13. Sailing, Sailing
14. Diddle, Diddle, Dumpling
15. Humpty, Dumpty

SONG LYRICS

Song 1

Big, big whale, swimming in the sea.
Big, big whale, singing merrily.
In the ocean with all of my friends,
Splishing and splashing again and again!

Song 2

Diving, diving, down in the deep blue sea.
Swimming here, swimming there,
So many fun things to see!

Song 3

I'm a plishy, splashy whale,
Would you like to come play with me?

Song 4

I'm a big whale, living in the sea.
When I come up for air, you'll see me spout!
Water sprays out of my blowhole like a fountain.
I like to make a splash with my tail,
Then I'll take a big breath and dive down to the bottom of the sea.

Song 5

Crab's two claws go snip, snip, snap!
Snip, snap, snippity snap!

Song 6

Fishy, fishy, swimming in the sea,
Puff, puff, puffer fish, puffs up like a ball!

Song 7

Jellyfish is in the sea, wiggling and jiggling for us to see.

Song 8

Sea turtle peaceful and calm,
Quietly glides through the water.

Song 9

Playful dolphin, whistles and clicks,
Splishes and splashes and dives in the sea.

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.
5. The fabric whale is surface washable only. Do not submerge the whale in water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Turn the unit **Off**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **On**. The unit should now be ready to use again.
5. If the unit still does not work, install a new set of batteries.
