PJMASKS

Time to be a Hero

InnoTAB® MAX

LEARNING SOFTWARE

VTech understands that a child's needs and abilities change as they grow and with that in mind we develop our toys to teach and entertain at just the right level...

vtech Baby

Toys that will stimulate their interest in different textures, sounds and colours

I am...

...responding to colours, sounds and textures

...understanding cause and effect

...learning to touch, reach, grasp, sit-up, crawl and toddle

Birth-36 months

Pre-School

Interactive toys to develop their imagination and encourage language development

I want...

...to get ready for school by starting to learn the alphabet and counting

...my learning to be as fun, easy and exciting as can be

...to show my creativity with drawing and music so my whole brain develops

3-6 years

Electronic Learning Computers

Cool, aspirational and inspiring computers for curriculum related learning

I need...

...challenging activities that can keep pace with my growing mind

...intelligent technology that adapts to my level of learning

...National Curriculum based content to support what I'm learning at school

4-10 years

Quick Play

- Play the mini games.

Helpful InnoTab® Buttons

HOME

Exit the cartridge and return to the **InnoTab®** desktop.

HELP BUTTON

Replay instructions or ask for a hint.

BACK BUTTON

Return to the previous screen.

INTRODUCTION

Play as Catboy, Owlette and Gekko to track down the villainous Romeo and his giant robot. Use each character's super power to solve mathematics problems and more!

CURRICULUM

Levels

InnoTab® cartridges have a tiered levelling system. During **Adventure**, choose **Challenge** or **Super Challenge** mode based on your child's age and ability level. For this cartridge **Challenge** is for approximately 3 and 4-year-olds, while **Super Challenge** is for ages 5 and over. For **Free Play**, you can likewise select **Challenge** and **Super Challenge**. Difficulty increases as your child progresses through each game.

Teaches Maths Concepts and More

The **PJ Masks InnoTab**® cartridge focuses on maths skills. For young children, maths skills are closely tied with numbers, which introduces children to learn counting, numbers writing and number sequence. In **PJ Masks**, much of the learning is weaved seamlessly into the story, allowing numbers and maths concepts to be taught.

Skill Chart

All **InnoTab**® cartridges help children build skills across multiple subject areas. Here's a list of the skills taught in this cartridge:

Game	Primary Skill	Maths	Reading/ Language Arts	Science	Social Studies	Problem Solving	Creativity
The Picture Player	Number writing	●				○	
Super Sorting with Catboy	Sorting	○	○			●	
Gekko and the Super Sized Books	Number sequence	●	○			○	
Owlette and the Mini-Bots	Patterns	○				●	
See and Stop with Owlette	Shapes	○				●	
Romeo's Robot	Number sequence	●				○	

● Primary Skill ○ Secondary Skill

Track Your Child's Learning Progress Online

Connect to **VTech's** online **Progress Log** for detailed information about the time your child spends playing this cartridge. We'll give you a breakdown of your child's performance and the skills taught in every game so you can quickly see where your child excels and where additional support is needed.

To view the Progress Log, go to: www.vtech.co.uk/progresslog

The screenshot shows the 'Progress Log' interface for a child named Chris. At the top, it says 'Chris' and 'Last visited on May 4, 2017'. Below this is a dropdown menu to 'Choose another child'. A message states: 'Once Chris has played a few times, connect his device to the Internet to upload his scores, and we'll show you how he's doing.' The main area is divided into two sections: 'Chris's learning achievements' and 'What has Chris played?'. Under 'Chris's learning achievements', there are five categories: Language Development, Reading, Mathematics, Social Studies & Sciences, and Creative & Critical Thinking. Each category has a grid of sub-categories. For example, Language Development includes Letters, Phonics, Grammar, and Handwriting. Reading includes Early Reading Concepts, Vocabulary & Spelling, Listening & Identifying Sounds, and Reading Comprehension. Mathematics includes Patterns & Classification, Numbers & Counting, Measurement, Geometry, and Computation. Social Studies & Sciences includes Safety, Community & Culture, and Life Sciences. Creative & Critical Thinking includes Art, Music, Logic & Memory, and Visual Skills.

Chris's learning achievements		What has Chris played?			
12-36 Months	3 Years & Up	4 Years & Up		5 Years & Up	6 Years & Up
Language Development	Letters	Phonics	Grammar	Handwriting	
Reading	Early Reading Concepts	Vocabulary & Spelling	Listening & Identifying Sounds	Reading Comprehension	
Mathematics	Patterns & Classification	Numbers & Counting	Measurement	Geometry	Computation
Social Studies & Sciences	Safety	Community & Culture	Life Sciences		
Creative & Critical Thinking	Art	Music	Logic & Memory	Visual Skills	

You can also connect directly on the **InnoTab® MAX** by selecting **Progress Log** from the **Parental Controls** menu.

Expand the Learning

As your child progresses through the game, you may want additional apps to extend or supplement your child's understanding. **Learning Lodge™** has over 1,000 apps, bundles, videos, songs and other educational tools to keep your child learning.

Additionally, if your child enjoyed the **PJ Masks** Maths cartridge, here are some other **InnoTab®** cartridges that may make learning feel more like playing. Cartridges can be purchased in stores or online at vtech.co.uk

CARE & MAINTENANCE

1. Keep your **InnoTab®** cartridge clean by wiping it with a slightly damp cloth. Never use solvents or abrasives.
2. Keep it out of direct sunlight and away from direct sources of heat.
3. Avoid dropping it. **NEVER** try to dismantle it.
4. Always keep the **InnoTab®** cartridge away from water.

If you need help, please contact our Consumer Services Department.

WARNING

A very small percentage of the public, due to an existing condition, may experience epileptic seizures or momentary loss of consciousness when viewing certain types of flashing colours or patterns. While playing this cartridge will not contribute to any additional risks, we do recommend that parents supervise their children while they play video games. If your child experiences dizziness, altered vision, disorientation, or convulsions, discontinue use immediately and consult your doctor. Please note that focusing on an LCD screen at close range and handling video game controls for a prolonged period of time may cause fatigue or discomfort. We recommend that children take a 15-minute break for every hour of play.

WARNING: All packing materials, such as tape, plastic sheets, packaging locks and tags are not part of this toy, and should be discarded for your child's safety.

NOTE: Please keep this user's manual as it contains important information.

PRODUCT WARRANTY

Thank you for choosing this quality product from VTech. We hope it will bring many hours of entertainment, imaginative play and learning.

1. The product detailed above is covered by a one year warranty from the date of purchase, against any defects in materials or workmanship.
2. The product may be returned to the place of purchase. Alternatively the product can be returned to VTech Electronics Europe plc (see address below), with proof of purchase, without proof of purchase no replacement will be provided.
3. VTech Electronics Europe plc will examine the product and if it is found to be defective due to faulty materials or workmanship, will replace the product at their discretion.
4. If the product covered by this warranty is damaged due to misuse, modification or unauthorised repair, or because of faulty batteries, battery discharge or incorrect electrical connections, then this warranty becomes void.
5. This warranty is personal to the original purchaser and is not transferable.
6. Breakages to the LCD screen are not covered by the warranty.
7. Returns to VTech Electronics Europe plc should include a cheque or postal order for £1.50 towards the cost of return postage and packaging.
8. Products returned to VTech Electronics Europe plc, should be addressed as follows and packed carefully to avoid damage in transit (Please do not include batteries or adaptor). Please include details of the fault together with your name and address.
9. To keep an online record of your warranty, please register your product online at www.vtech.co.uk/warranty

VTech Electronics EU PLC, c/o XPO Logistics, Warehouse 350, Cat & Fiddle Lane, West Hallam, DE7 6HE
THIS WARRANTY IS OFFERED AS AN EXTRA BENEFIT AND DOES NOT AFFECT CONSUMERS' STATUTORY RIGHTS.

This warranty is valid for the UK and Eire only. For products purchased outside the UK and Eire, please contact your local distributor or place of purchase.
