Count my family & friends and trace the numbers with a pencil or your finger!

1	2	3	4	5	6	7	8

Can you help Eileen Ice Cream Truck serve up the matching amount of ice cream scoops? You could use finger prints in paint, crayon or line up coloured pom pom balls!

CORY CARSON

Maths with Cory Carson

ACTIVITY SHEET

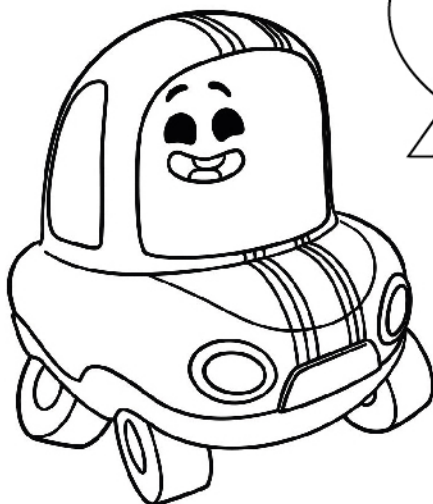

(Based on S2 Episode 5)

Q1. How high does Cory count to while playing Hide & Seek? Can you count to that number?

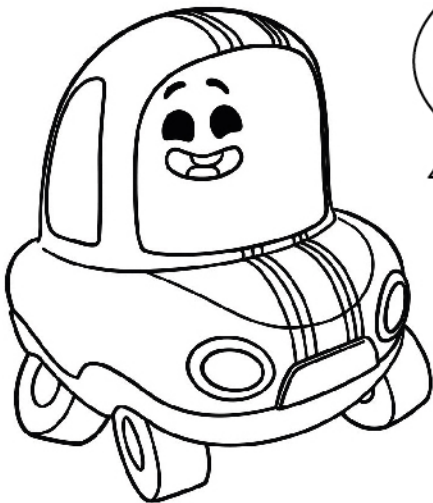

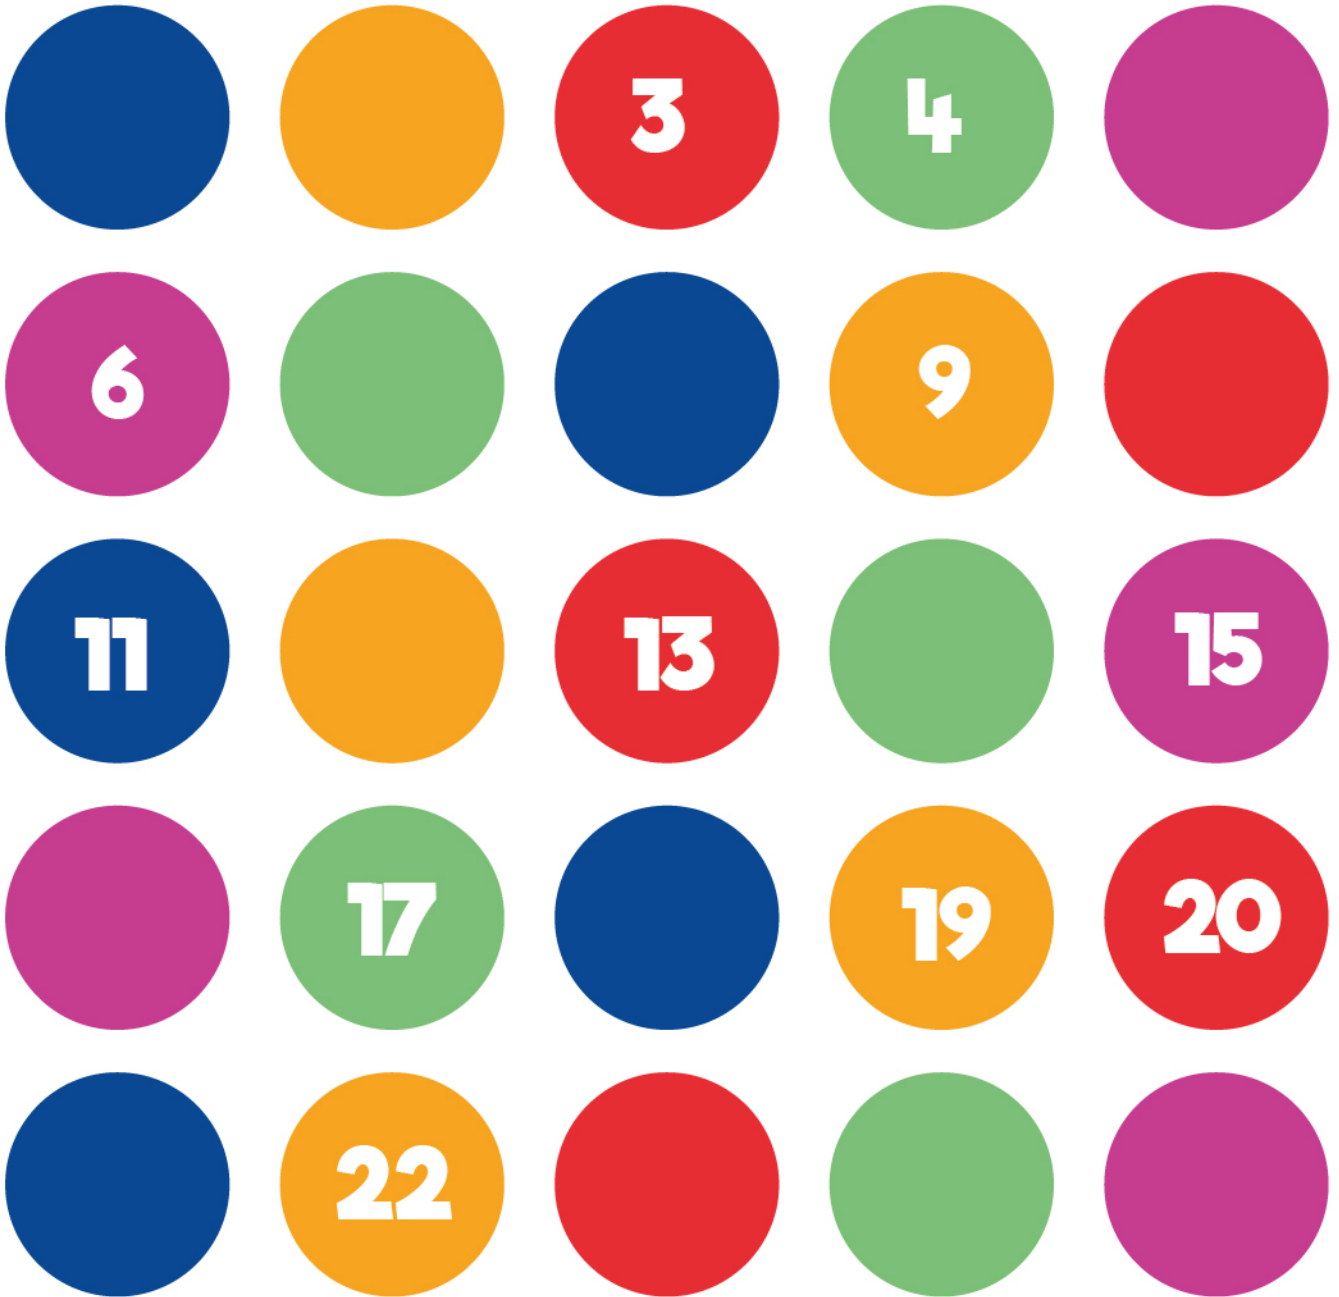

Q2. How many wheels does Honking Henry have?

Q3. When Mama Carson goes to watch TV, what time is it on the wall?

Q4. How many colours can you spot on Cory's night light? What are they?

See if you can work out the answers to these questions whilst watching Episode 5 of Series 2.

Can you fill in the missing numbers?
