

FUN ACTIVITY:

Bird Feeder

What You'll Need:

- ✓ Toilet Roll Tube
- ✓ Peanut Butter
- ✓ Bird Seed
- ✓ String/Twine/Ribbon
- ✓ Scissors

Attract birds to your garden using recycled materials.

Directions:

1. Smother the toilet roll tube all over with peanut butter.
2. Roll the tube into the bird seed so that it is covered.
3. Cut a length of string and thread through the tube.
4. Hang up in a tree or somewhere the birds can get to.

Peanut butter is very nutritious, high in calories and fat for great energy. Many birds enjoy peanut butter, including nuthatches, chickadees, woodpeckers, and jays.
